TO WHOM IT MAY CONCERN

We have been very happy with the professionalism and communication displayed by Swell Dweller. Although there is no technical data to quantify the results provided by advertising with the Swell Dweller site, we do only have one full property left to let for the next academic year. We have found the site to be a great free addition to our spread of advertising and marketing and will certainly be looking to use the site for the 2009/2010 letting season.
